Donations and Wish List Items

Reducing costs through donations helps ensure we can continue to offer our essential services to women and children impacted by domestic abuse and/or homelessness.

Donations of cash, cheque or via credit card

Monetary donations help us fund the areas within our operating budget where we need your help the most. Charitable donation receipts will be issued for monetary gifts. The donor's name and full address are needed to process the receipt. Please contact us (see below) for credit card transactions.
